

CHAMPAGNE CH. DE L'AUCHE

Racines' Collection

BRUT ROSÉ

Bright and seductive

Tasting

Dark pink color linked to the wine of the year. Fruity nose of strawberries and cherries accompanied by biscuit notes suggesting Rose biscuits in a classic and seductive expression.

The attack is round with a very pleasant balance of acidity and sugar. The texture is smooth, the whole is dynamic with a beautiful vinosity while remaining light. It benefits fully from the contribution of reserve wines and time spent in the cellar to offer complexity between youthful aromas and those born of prolonged aging.
